Plans and pricing are subject to change without notice. Devices not included. All calls are rounded up to the next full minute with a one minute minimum charge for billing purposes. Customers who own their own device are not required to sign a multi-year commitment. 5G & LTE service available in select markets. Full terms and conditions visit tbaytel.net

- 5G+ Unlimited Data Plans include full-speed data up to the data allotment in the plan selected, then receive unlimited data at no additional charge at reduced speeds (up to 512Kbps or 2 Mbps depending on the plan).
- For new activations and upgrades, customers are required to remain in the Canada & U.S. Calling & Data Plan suite for the duration of the term. Plan changes are permitted for customers in term provided the customer remains in the Canada & U.S. Calling & Data Plan suite for the remainder of the term. Customer must be (and remain) a Canadian resident and the majority of usage must be in Canada.
- Pay Per Use Rates apply. Default Canadian data will start at a minimum cost of \$20 and will increase in \$20/GB increments. Data usage is rounded up to the next kilobyte.
- \$200 Bring Your Number Bonus is available with a new 2-year term when porting a number from another Canadian Wireless Carrier and is applied as a credit to the first invoice. Some exclusions apply
- SimplePay financing is available for new smartphones only and requires a 2-year term activation or upgrade on select SimplePay plans. Subject to credit approval. Cost of borrowing is \$0, 0% APR. SimplePay payments are billed to the Tbaytel Mobility invoice as 24 monthly installments, applicable taxes included.
